**Plan:**

Just think how your Family could live in this lovely home, with its 4 bedrooms, 2 bathrooms, separate toilet, separate lounge and of course the very handy walk-in pantry (always a treat). There is plenty of room in the bedrooms too, with a minimum size of 3.2m x 3.2m, with the master bedroom being 3.5m x 4.3m (there is also a lovely big shower in the ensuite).

And like all Homes By Nest family homes the Morepork has a raked ceiling to the kitchen, dining & living areas, and on this plan it also flows out to your portico! Or just snuggle up on one of the windows with a book chosen from your built-in bookshelf.
