**Plan:**

Have you always desired a walk-in pantry? Well our lovely Pukeko design has that for you, but that's only one of the many features of this design, it also has a separate toilet, separate lounge, two window seats and a built-in bookshelf. The barn style doors (a standard feature of most Homes By Nest designs) really make a statement, just adding a nice touch of class to your new home.

The Pukeko also allows for decent size bedrooms with bedrooms 2 and 3 being 3.2m x 3.2m with the master bedroom being 4.6m x 3.5m!

The exterior looks very smart with its mixture of brick and cedar weatherboard, and the portico boasts a raked ceiling that just flows on through from your separate lounge.
